

A LITTLE BIT ABOUT WHAT I USUALLY DO FOR MY COUPLES

1. I will reach out to you when it is time for you to get your marriage license.
2. Once you have that, we will meet up at my home.
3. Talk about the ceremony. Get an idea of your visual for the day. Find out what we know and what we do not know.
This usually only takes 1/2 hour. Bring your marriage license and witness information.
4. I will create a personalized wedding. Very rarely, do I do the scripted wedding words. Ideally, you, your family and guests will hear a ceremony different than they have heard before. From the moment the bride arrives at the altar and to the moment you both walk back down the aisle – it's about 15 - 25 minutes.
5. I will let you pick from a variety of vows. You can change them or whatever works for you. Or you can of course create your own.
6. After we meet, I will send you a review of everything we spoke about. This way you can correct me if needed, or add things or change things. It's your day!!
7. I usually encourage rehearsals if there is going to be more than 30 guests. Or more than 4 people per side for the wedding party. However, it's totally up to you.
8. I like to arrive at the ceremony 1/2 hour early. This way I can check in with the photographer, music person, groom and bride. Make sure we are all on the same page.
